

City of Laurens Trolley Use & Fees **Administered by Main Street Laurens USA, Inc.**

The City of Laurens trolley is available for use by the public for weddings, events, transportation needs and other activities. Main Street Laurens is responsible for coordinating the rental and use of the trolley for any event as needed. MSL will also coordinate a driver, who must have a CDL license with passengers, and their payment for services associated with use of the trolley.

Once you have contacted the MSL director about a date and use, he/she will reserve the trolley and driver(s). Trolley rental is NOT confirmed until payment has been received by the MSL office for the trolley use. See below for rental fees. Once the trolley rental is confirmed, the renter must contact the driver with specifics about when, where etc to pick up and deliver the trolley. The RENTER will pay the driver the day of use, at the rate listed below and agreed on before rental confirmation.

The trolley can hold 24 people comfortably and the front half of the trolley has windows. The back half of the seats is covered, but DOES NOT have windows. The trolley does have heat for cool weather use. ALCOHOL AND SMOKING ARE STRICTLY PROHIBITED FROM USE ON THE TROLLEY. The driver has the right to refuse service the day of the event if renter, or anyone associated with the trolley use, is intoxicated or tries to bring alcohol onto the trolley. In the event the driver does refuse service based on the abuse of alcohol, the rental fee WILL NOT be refunded.

All fees and rules are listed below. The Main Street Laurens director has the authority to adjust fees as needed based on the proposed use of the trolley.
